BRAND GUIDELINES  
12-23-20 V1

## THE LOGO: KERNING

---

Our logo has been hand-drawn and set to specific spacing and proportions. It should not be altered in any way.

## THE LOGO: SPACING

---

Always keep the logo a proper distance from other elements. As a rule, reserve space around the logo equivalent to the height and width of the O.

## THE LOGO: COLOR

---

The color combinations are specific per background color to create contrast and vibrancy.

## LOGO + ICON: SIZING

---

The logo holds up small and at large proportions, so no need to alter the logo in any way. To keep the integrity of the logo, at very small sizes the 4 should be used.

SHIFT  SHOP

The logo should never be sized under 2 inches wide or 192 pixels.

Under 2 inches or 192 pixels the logo should be represented as just the 4.

## CTA + GRAPHIC ELEMENTS RECOMMENDATION

---

We love the idea of using large, bold, circular CTAs where it is appropriate.

## BRAND: COLOR

---

Our primary color, Inspiration Blue sets a vibrant and energetic tone for our brand. The secondary colors should be used sparingly and only as small hits for effect.
